

Next Steps Bulletin: November 2019

Welcome to the Next Steps bulletin for November. This edition has dates for College Open Days and dates for Careers Workshops taking place for Year 11 students at Glynn House this academic year. Open Days are a great way of seeing what is available at college and answering any questions you may have. You might also be inspired to follow a course you'd never even thought about before- a former student of mine saw a new music course and is now touring Europe as a professional music technician!

College Open Days/Evenings - 2019/20

Careers workshops at Glynn House

If you are in Year 11 you are welcome to attend the careers workshops being put on by Careers South West at Glynn House. All sessions start at 13:30 on the following dates:

- 5 Dec
- 23 Jan
- 26 March
- 7 May

Cornwall Skills Show

Several CHES students attended the Cornwall Skills Show at the County Showground in October. With hundreds of stalls and presentations from employers and colleges throughout the area there was something for everyone. There were lots of opportunities to try things out and the experts on hand were happy to answer any questions

or provide more information. Another one will be organised for later in the year so watch this space!

Any questions? If you want any further information, or a specific request for something you'd like to see or know more about please let me know. You can contact me by email at cdenley@waveedu.org
