

## **Proud of our Pupils**

Across the Trust we are very proud of the progress of our pupils. Through a difficult couple of years for pupils in schools nationally due to the disruption caused by the pandemic, our pupils have persevered and on Thursday 24th August 2023 received their GCSE results for the exams they sat earlier this summer.

We have the highest expectations of what our pupils at Wave APAs can achieve, and we are delighted with the number of pupils attaining qualifications in at least 5 GCSE or equivalent awards to support their next steps, as well as their personal progress from their starting points with us.

Often pupils have overcome or work with significant barriers and disruption to their educational journeys. We value every single result.

## **2023 Headlines (based on Provisional Results)**

In the Behaviour APAs

(Medical APA to follow once results are all gathered in)

- 73% of students in our Behaviour APA academies achieved a Grade 1-9 GCSE Maths (compared to 59% Nationally\*)
- 73% of students in our Behaviour APAs achieved a Grade 1-9 in GCSE English (compared to 56% Nationally\*)
- 75% of students in our Behaviour APAs achieved a Grade 1-9 in GCSE Science (compared to 36% Nationally\*)
- 61% of our students were entered for the equivalent of 5+ GCSE or equivalent Level 2 awards.
- 45% of students in Behaviour APAs gained 1 or more GCSE Grades 9-4
- 41% of students gained 5+ GCSEs including English and Maths,
- 88% of students gained at least 1 GCSE qualification.

These achievements reflect the hard work and commitment of all within our Trust and the wider stakeholder community, and most of all of course, the students

themselves. They compare incredibly favourably to results nationally within the APA sector and we continue to strive for the very best for our young people in terms of preparing them for their next steps in the wider world and post 16 pathways
